# NO REMODEL REQUIRED

Six easy ways to update a blah bathroom

STYLING BY JEN KENT

Create warmth with a pair of brass sconces.

Satisfying both form and function, use pretty hand towels in luxe fabrics.

Keep wall art neutral colored — but still visually stunning.

Treat your guests to luxurious hand soap in subtle scents.

Add a vintage-inspired rug for a pop of color and flair.

Top the vanity with freshly cut flowers from your local florist.

Clockwise from wall art: Set of four framed prints, **McNabb & Risley Fine Furniture and Interior Design**, [mcnabbandrisley.com](http://mcnabbandrisley.com); Kassetex hand towels, **The Home Market**, [shophomemarket.com](http://shophomemarket.com); Savon de Marseille liquid soap, **The Home Market**; area rug, **McNabb & Risley Fine Furniture and Interior Design**; Kichler one-light wall sconce, **BBC Lighting**, [shopbbclighting.com](http://shopbbclighting.com)
